

**Because God is love, He treasures relationships. His very nature is relational, and He identifies Himself in family terms: Father, Son, and Spirit. The Trinity is God's relationship to Himself. It's the perfect pattern for relational harmony.**

## **Save Your Rummage**

The semi-annual church rummage sale will be held Friday and Saturday, September 10 and 11, in the fellowship hall. It's time for fall house cleaning and CCC certainly could use your rummage. If you need pick up, please call Bill Burgess, 358-5650. You may bring your items on Thursday, September 9, after 12:00 noon to the fellowship hall entrance on the Westgate Road side. Proceeds support a Haitian child sponsored by the church.

## **Child Dedication Class Today**

For new parents wanting to dedicate their children and themselves to raise their child in a Christian home, we offer the opportunity to do just that with a class today at 4:00 p.m. in the conference room.

A child dedication service will be held the following Sunday, August 29, or one can be set up for the date you desire. If interested in the class, please write that on a Central Connect card and place it in the offering box inside the sanctuary doors.

## **Be Sure to Check the Share Table**

Be sure to stop by the share table today and see if there is any produce that you would like. Just leave a donation. All contributions will go to Provisions to help the needy with food.

## **"Life Rules" -- New Series**

The health of our relationship with God is closely connected to the health of our relationships with other people. In this 6-part series we will examine five relational indicators that will tell us how we are getting along with God. Join us next Sunday, August 29, as we listen to the message "Forgive," based on Ephesians 4:31-32.

Freedom comes when we focus on God, not on those who have hurt us. And though forgiveness seems illogical from a human perspective, it allows us to give to others what our heavenly Father freely gives to us.

Throughout the years the church family has been very supportive and loving towards me and I am truly thankful for everything. I am looking forward to continuing my college years so I may learn new things and further my education. Growing up in this church has been a spiritual and fun experience and I am grateful for your financial support for my college education. – Sincerely, Kyle Gentry
