“Life Rules” Series Continues

The health of our relationship with God is closely connected to the health of our relationships with other people. In this 6-part series we will examine five relational indicators that will tell us how we are getting along with God. Join us next Sunday, September 5, as Pastor Lewis delivers the message “Accept,” based on Romans 15:5-7.

God's love is unconditional and is not based on "getting ourselves together" first. This is the kind of love we are to have for others.

Fifth Sunday Provisions

There are five Sundays in August and the fifth Sunday is always dedicated to Provisions as we collect non-perishable food items for this food pantry. Today is the fifth Sunday! You may still bring your items to the church tomorrow and place them in containers marked accordingly. Thanks!

Join Us for a “Taste of Alpha”

All **adults and middle school and high school youth** are invited to get a “Taste of Alpha” on September 2nd at 6:00 pm. This is an introductory session which includes dinner and the first talk of the Alpha series. Attend this session to see if the Alpha course interests you – no obligation, just come and see.

There is no charge for the Alpha course, although we will accept contributions towards the meal. Childcare is free.
